## NSN 5999-00-242-0529

Electronic Shielding Gasket - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5999-00-242-0529

Cross Sectional Shape:
Wire and composition
Overall Length:
8.210 inches
Overall Width:
4.815 inches
Cross-sectional Height:
0.125 inches
Environmental Protection Material Location:
Throughout rf shielding gasket
Material:
Rubber silicone class q environmental seal
Material Specification:
Qq-n-281 federal specification single material response emi/rfi conductor
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A032a0
