Overall Length:

1.875 inches

Overall Width:

0.625 inches

Unthreaded Mounting Hole Diameter:

0.219 inches

Mounting Facility Quantity:

1

Voltage Rating In Volts:

115.0 ac

Current Rating In Amps:

20.0

Mounting Method:

Unthreaded hole

Material:

Silver contact

Precious Material And Location:

Contact silver

Precious Material And Weight:

1.000 silver grains, troy

Precious Material:

Silver

Surface Treatment:

Any acceptable body

Style Designator:

Flat leaf contact w/o point

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
