Overall Length:

1.000 inches

Overall Diameter:

0.226 inches

Mounting Method:

Terminal

Material:

Copper alloy contact

Precious Material And Location:

Contact surface silver

Precious Material And Weight:

0.005 silver grains, troy

Precious Material:

Silver

Surface Treatment:

Silver contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A222a0
