Unthreaded Mounting Hole Diameter:

Between 0.315 inches and 0.322 inches

Mounting Facility Quantity:

1

Mounting Method:

Unthreaded hole

Material:

Copper alloy 110 body

Material Specification:

Qq-c-576 federal specification single material response body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
