Overall Length:
1.312 inches
Overall Height:
0.438 inches
Overall Width:
0.812 inches
Unthreaded Mounting Hole Diameter:
0.406 inches first mounting facility
Mounting Facility Type And Quantity:
2 unthreaded hole second mounting facility
Material:
Aluminum alloy 5052
Material Specification:
Qq-a-250/8 federal specification single material response
Surface Treatment:
Anodize
Surface Treatment Specification:
Mil-a-8625, type 3, class 2 military specification single treatment response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
Νο
Fiig:
A03600
Mil-std (military Standard):
Mil-a-8625 spec.
