Overall Length:

0.656 inches

Overall Diameter:

0.084 inches

Cable Entrance Diameter:

0.058 inches

Voltage Rating In Volts:

250.0 ac

Current Rating In Amps:

5.0

Mounting Method:

Solder

Criticality Code Justification:

Feat

Special Features:

Weapon system essential; items should be supplied loose piece, 50 contact per bag

Material:

Copper alloy body

Surface Treatment:

Tin contact

Style Designator:

Socket contact

Terminal Type And Quantity:

1 crimp and solder axially at one end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
