Overall Length:

5.510 inches

Overall Height:

0.032 inches

Overall Width:

4.360 inches

Unthreaded Mounting Hole Diameter:

0.112 inches all mounting facilities

Mounting Facility Type And Quantity:

4 unthreaded hole all mounting facilities

Material:

Aluminum alloy 6062

Material Specification:

Qq-a-250/11 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
