Unthreaded Mounting Hole Diameter:

0.188 inches

Mounting Facility Quantity:

1

Mounting Method:

Unthreaded hole

Special Features:

Contact is I shaped and has a 1/2 in. Radius

Material:

Copper contact

Precious Material And Weight:

0.005 silver grains, troy

Precious Material:

Silver

Surface Treatment:

Silver contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A222a0
