**Overall Length:**

2.380 inches

**Overall Height:**

0.240 inches

**Overall Width:**

0.380 inches

**Special Features:**

Heat treated

**Material:**

Copper alloy 172

**Material Specification:**

Qq-c-533 federal specification single material response

**Surface Treatment:**

Copper

**Surface Treatment Specification:**

Qq-c-576 federal specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A03600
