Overall Length:

2.380 inches

Overall Height:

0.240 inches

Overall Width:

0.380 inches

Special Features:

Heat treated

Material:

Copper alloy 172

Material Specification:

Qq-c-533 federal specification single material response

Surface Treatment:

Copper

Surface Treatment Specification:

Qq-c-576 federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03600
