| Overall Length:                             |
|---|
| 3.500 inches                                |
| Overall Height:                             |
| 2.530 inches                                |
| Overall Width:                              |
| 1.250 inches                                |
| Distance Between Mounting Facility Centers: |
| 1.781 inches                                |
| Mounting Facility Quantity:                 |
| 2   |
| Voltage Rating In Volts:                    |
| 600.0 ac                                    |
| Current Rating In Amps:                     |
| 400.0                                       |
| Mounting Method:                            |
| Threaded hole                               |
| Material:                                   |
| Metal body and contact                      |
| Style Designator:                           |
| Knife blade clip                            |
| Shelf Life:                                 |
| N/a   |
| Unit Of Measure:                            |
|   |
| Demilitarization:                           |
| No  |
| Fiig:                                       |
