Inside Diameter:

5.812 inches

Overall Height:

0.624 inches

Unthreaded Mounting Hole Diameter:

0.191 inches single mounting facility and 0.199 inches single mounting facility

Mounting Facility Type And Quantity:

5 unthreaded hole single mounting facility

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250 federal specification single material response

Style Designator:

Srew clamp, footed hole mounting

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A062a0
