Overall Length:

0.859 inches

Overall Diameter:

0.203 inches

Voltage Rating In Volts:

1000.0 dc

Mounting Method:

Force fit

Material:

Any acceptable body and contact

Precious Material And Location:

External surface gold

Precious Material And Weight:

0.005 gold grains, troy

Precious Material:

Gold

Surface Treatment:

Gold contact

Style Designator:

Taper pin contact

Terminal Type And Quantity:

1 pin axially at one end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A222a0
