Overall Length:

0.906 inches

Overall Diameter:

0.125 inches

Mounting Method:

Terminal

Material:

Aluminum alloy body and contact

Precious Material And Location:

Body and contact surfaces gold

Precious Material And Weight:

0.005 gold grains, troy

Precious Material:

Gold

Surface Treatment:

Gold body and contact

Style Designator:

Crimp type contact

Terminal Type And Quantity:

1 crimp end opposite contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
