Overall Length:

3.670 inches

Overall Width:

0.200 inches

Overall Thickness:

0.080 inches

Contact Quantity:

60

Mounting Configuration:

Two 0.094 in. Diameter mtg holes, spaced 3.200 in. C to c

Structural Design:

Nonpile-up

Contact Item Name Assigned By Government Agency:

Female p.C. Contact

Government Agency Controlling Contact:

Malco mfg co

Contact Identifying Number Assigned By Government Agency:

Part no. 5190002-1

Special Features:

60 female insulator malco mfg co part no. 5290000

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T142-d
