**Overall Length:**

0.953 inches

**Overall Diameter:**

0.219 inches

**Mounting Method:**

Force fit

**Material:**

Plastic barrel insulation

**Precious Material And Location:**

Body and contact surfaces gold

**Precious Material And Weight:**

0.005 gold grains, troy

**Precious Material:**

Gold

**Surface Treatment:**

Gold body and contact

**Style Designator:**

Pin contact

**Terminal Type And Quantity:**

1 crimp and solder end opposite contact

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A222a0
