Unthreaded Mounting Hole Diameter:

0.158 inches

Mounting Facility Quantity:

1

Voltage Rating In Volts:

24.0 dc

Current Rating In Amps:

200.0

Mounting Method:

Unthreaded hole

Material:

Tungsten carbide contact

Precious Material And Location:

Contact surface silver

Precious Material And Weight:

0.100 silver grains, troy

Precious Material:

Silver

Surface Treatment:

Silver contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
