Point Diameter:

0.375 inches

Overall Length:

1.963 inches

Overall Height:

0.438 inches

Overall Width:

0.375 inches

Unthreaded Mounting Hole Diameter:

0.132 inches

Mounting Facility Quantity:

1

Mounting Method:

Unthreaded hole

Special Features:

Equipped with rh lead

Material:

Steel body and contact

Precious Material And Location:

Body and contact surfaces palladium

Precious Material And Weight:

10.000 palladium grains, troy

Precious Material:

Palladium

Surface Treatment:

Platinum body and contact

Style Designator:

Flat leaf contact w/ round flatted fixed point

Terminal Type And Quantity:

1 eyelet axially at one end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
