Overall Length:

0.520 inches

Overall Diameter:

0.225 inches

Mounting Method:

Terminal

Material:

Copper contact

Precious Material And Location:

Body and contact surfaces gold

Precious Material And Weight:

0.005 gold grains, troy

Precious Material:

Gold

Surface Treatment:

Gold contact

Style Designator:

Crimp type contact

Terminal Type And Quantity:

1 solder well axially at one end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
