Overall Length:

0.479 inches

Pin Diameter:

0.034 inches

Overall Diameter:

0.062 inches

Cable Entrance Diameter:

0.042 inches

Retention Groove Diameter:

0.052 inches

Pin Length:

0.190 inches

Mounting Method:

Solder

Material:

Copper alloy body and contact

Material Specification:

Qq-c-530, cond 1/2 h federal specification single material response body and contact

Precious Material And Location:

Body and contact surfaces gold

Precious Material And Weight:

0.005 gold grains, troy

Precious Material:

Gold

Surface Treatment:

Gold contact and nickel contact

Style Designator:

Pin contact

Terminal Type And Quantity:

1 solder well end opposite contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
