Overall Length:

5.062 inches

Overall Width:

1.219 inches

Overall Thickness:

0.500 inches

Contact Quantity:

2

Mounting Configuration:

Two 0.2055 in. Diameter holes spaced 4-7/16 in. C to c

Structural Design:

Nonpile-up

Contact Item Name Assigned By Government Agency:

Fixed contact and support

Government Agency Controlling Contact:

General electric co

Contact Identifying Number Assigned By Government Agency:

Part no. 6578466n piece 6

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T142-d
