Overall Length:

0.725 inches

Pin Diameter:

0.018 inches

Overall Diameter:

0.057 inches

Pin Length:

0.109 inches

Current Rating In Amps:

5.0

Mounting Method:

Force fit

Material:

Copper body and contact and lead body and contact

Precious Material And Location:

Body and contact surfaces gold

Precious Material And Weight:

0.005 gold grains, troy

Precious Material:

Gold

Surface Treatment:

Gold contact and nickel contact

Style Designator:

Dip solder tail contact

Terminal Type And Quantity:

1 pin end opposite contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
