## **Mounting Facility Quantity:**

1

Voltage Rating In Volts:

500.0 ac and 700.0 dc

# Current Rating In Amps:

7.5

## Mounting Method:

Force fit

Material:

Copper contact

#### **Precious Material And Weight:**

0.005 gold grains, troy

#### **Precious Material:**

Gold

#### Surface Treatment:

Gold contact

# Terminal Type And Quantity:

1 solder well axially at one end

Shelf Life:

N/a

## Unit Of Measure:

---

#### Demilitarization:

No

#### Fiig:

A222a0
