Overall Length:

Any acceptable

Pin Diameter:

0.062 inches

Overall Diameter:

Any acceptable

Cable Entrance Diameter:

Between 0.010 inches and 0.016 inches

Current Rating In Amps:

13.0

Mounting Method:

Snap lock

Material:

Plastic barrel insulation

Precious Material And Location:

Body and contact surfaces gold

Precious Material And Weight:

0.005 gold grains, troy

Precious Material:

Gold

Surface Treatment:

Gold and nickel contact

Style Designator:

Pin crimp contact

Terminal Type And Quantity:

1 crimp end opposite contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
