| Unthreaded Mounting Hole Diameter: |
|------------------------------------|
| 0.031 inches                       |
| Mounting Facility Quantity:        |
| 1                                  |
| Voltage Rating In Volts:           |
| 24.0 dc                            |
| Current Rating In Amps:            |
| 1.0                                |
| Mounting Method:                   |
| Unthreaded hole                    |
| Material:                          |
| Silver contact                     |
| Terminal Type And Quantity:        |
| 1 screw base                       |
| Shelf Life:                        |
| N/a                                |
| Unit Of Measure:                   |
|                                    |
| Demilitarization:                  |
| No                                 |
| Fiig:                              |
| A222a0                             |
|                                    |
|                                    |
