Terminal Quantity:

2

Terminal Type:

Solder lug

Overall Length:

1.625 inches

Overall Width:

0.500 inches

Overall Thickness:

0.250 inches

Contact Quantity:

2

Mounting Configuration:

One 1/4 in. Diameter mtg hole

Structural Design:

Nonpile-up

Contact Item Name Assigned By Government Agency:

Silver contact

Government Agency Controlling Contact:

Ward leonard electric co

Contact Identifying Number Assigned By Government Agency:

Part no. 13626.75-1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T142-d
