Overall Length:

1.250 inches

Overall Height:

0.045 inches

Overall Width:

0.250 inches

Unthreaded Mounting Hole Diameter:

0.312 inches

Mounting Facility Quantity:

1

Mounting Method:

Unthreaded hole

Material:

Copper alloy body and contact

Material Specification:

Qq-c-533, 1/4h federal specification all material responses body

Style Designator:

Flat leaf contact w/o point

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
