Overall Length:

0.656 inches

Overall Diameter:

Between 0.248 inches and 0.250 inches

Mounting Method:

Force fit

Material:

Copper alloy contact

Material Specification:

Qq-+330 federal specification single material response contact

Surface Treatment:

Cadmium contact

Style Designator:

Cylindrical shape

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
