Overall Length:

1.370 inches

Overall Height:

1.034 inches

Overall Width:

1.120 inches

Unthreaded Mounting Hole Diameter:

0.344 inches

Mounting Facility Quantity:

1

Mounting Method:

Unthreaded hole

Material:

Silver contact and tungsten alloy contact

Precious Material And Location:

Body and contact silver

Precious Material And Weight:

1.000 silver grains, troy

Precious Material:

Silver

Style Designator:

Irregular shape

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A222a0
