Terminal Quantity:

6

Terminal Type:

Screw

Overall Length:

5.813 inches

Overall Width:

0.894 inches

Overall Thickness:

0.375 inches

Contact Quantity:

6

Mounting Configuration:

Two 0.206 in. Diameter mtg holes, spaced 5.188 in. C to c

Structural Design:

Nonpile-up

Contact Item Name Assigned By Government Agency:

Contact fixed

Government Agency Controlling Contact:

General electric co

Contact Identifying Number Assigned By Government Agency:

6047208 and 6055373

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T142-d
