Body Style:

Horizontally mounted

Overall Length:

1.250 inches

Overall Height:

0.380 inches

Overall Width:

0.750 inches

End Application:

Mk4747od0, test set

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-318 federal specification single material response

Surface Treatment:

Chromate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03600
