Overall Length:

5.063 inches

Overall Width:

0.984 inches

Overall Thickness:

0.375 inches

Contact Quantity:

4

Mounting Configuration:

Two 0.206 in. Diameter mtg holes spaced 4.438 in. C to c

Structural Design:

Nonpile-up

Contact Item Name Assigned By Government Agency:

Contact, electrical

Government Agency Controlling Contact:

General electric co

Contact Identifying Number Assigned By Government Agency:

Part no. 6205124

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T142-d
