Overall Length:

0.450 inches

Overall Height:

0.155 inches

Overall Width:

0.251 inches

Unthreaded Mounting Hole Diameter:

0.078 inches

Mounting Method:

Unthreaded hole

Precious Material And Location:

plated silver

Precious Material:

Silver

Surface Treatment:

Silver contact

Surface Treatment Specification:

Qq-s-365 federal specification single treatment response body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A222a0
