Overall Length:

1.400 inches

Overall Height:

0.250 inches

Overall Width:

1.250 inches

Unthreaded Mounting Hole Diameter:

0.406 inches

Mounting Facility Quantity:

2

Mounting Method:

Unthreaded hole

Material:

Silver alloy body

Precious Material And Location:

Body and contact silver

Precious Material And Weight:

1.000 silver grains, troy

Precious Material:

Silver

Surface Treatment:

Silver contact

Style Designator:

Irregular shape

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
