**Overall Length:**

0.765 inches

**Pin Diameter:**

Between 0.061 inches and 0.063 inches

**Overall Diameter:**

0.125 inches

**Cable Entrance Diameter:**

Between 0.062 inches and 0.068 inches

**Pin Length:**

Between 0.380 inches and 0.385 inches

**Current Rating In Amps:**

7.5

**Mounting Method:**

Solder

**Material:**

Steel body

**Surface Treatment:**

Copper body and tin body and zinc body

**Style Designator:**

Pin contact

**Terminal Type And Quantity:**

1 solder well axially at one end

**Reference Number Differentiating Characteristics:**

As differentiated by navord od41152

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A222a0
