Overall Length:

1.250 inches

Overall Width:

1.250 inches

Overall Thickness:

0.032 inches

Contact Quantity:

4

Mounting Configuration:

Two 0.242 in. Diameter mtg holes spaced 1/2 in. C to c

Structural Design:

Nonpile-up

Contact Item Name Assigned By Government Agency:

Contact assembly, lampholder

Government Agency Controlling Contact:

Western electric co, inc.

Contact Identifying Number Assigned By Government Agency:

Part/dwg no. B8007492

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T142-d
