Overall Length:

1.250 inches

Overall Height:

0.406 inches

Overall Width:

0.312 inches

Unthreaded Mounting Hole Diameter:

0.180 inches single mounting facility

Accommodated Item Securing Device Type:

Friction fastener

Mounting Facility Type And Quantity:

1 unthreaded hole single mounting facility

Material:

Copper alloy

Precious Material:

Silver

Surface Treatment:

Silver

Style Designator:

Rectangular prism

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
