Overall Length:

1.561 inches

Overall Height:

0.065 inches

Overall Width:

1.050 inches

Unthreaded Mounting Hole Diameter:

0.214 inches first mounting facility

Mounting Facility Type And Quantity:

2 unthreaded hole single mounting facility

Special Features:

Finish gold iridite all over and black dilelctric on one side and all edges

Material:

Aluminum

Material Specification:

Qq-a-225/1 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
