**Overall Length:**

1.561 inches

**Overall Height:**

0.065 inches

**Overall Width:**

1.050 inches

**Unthreaded Mounting Hole Diameter:**

0.214 inches first mounting facility

**Mounting Facility Type And Quantity:**

2 unthreaded hole single mounting facility

**Special Features:**

Finish gold iridite all over and black dielectric on one side and all edges

**Material:**

Aluminum

**Material Specification:**

Qq-a-225/1 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A03600
