Overall Length:

7.312 inches

Overall Width:

0.984 inches

Overall Thickness:

0.375 inches

Contact Quantity:

7

Mounting Configuration:

Two 7/32 in. Diameter mtg holes on 6-11/16 in. Centers

Structural Design:

Nonpile-up

Contact Item Name Assigned By Government Agency:

Fixed contact support

Government Agency Controlling Contact:

General electric

Contact Identifying Number Assigned By Government Agency:

K6401562

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T142-d
