Overall Length:

0.630 inches

Overall Diameter:

1.500 inches

Contact Quantity:

1 and 1 and 1

Mounting Configuration:

Three no. 4/0.112 in./ -40 thd mtg holes equally spaced on 1.250 in. Diameter circle

Structural Design:

Nonpile-up

Contact Item Name Assigned By Government Agency:

Contact, plate and contact, finger and contact, electrical

Government Agency Controlling Contact:

Electronic communications

Contact Identifying Number Assigned By Government Agency:

53-00143-001 and 53-00164-004 and 53-00158-001

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T142-d
