Unthreaded Mounting Hole Diameter:

0.159 inches

Mounting Facility Quantity:

3

Mounting Method:

Unthreaded hole

Special Features:

W/cable 10.750 in. Lg

Material:

Plastic fluorinated ethylene propylene body

Surface Treatment:

Silver contact

Terminal Type And Quantity:

1 solder well axially at one end

Fsc Application Data:

Receptacle, connector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A222a0
