Unthreaded Mounting Hole Diameter:

0.203 inches

Mounting Facility Quantity:

1

Current Rating In Amps:

3000.0

Mounting Method:

Unthreaded hole

Material:

Silver contact

Precious Material And Weight:

1.000 silver grains, troy

Precious Material:

Silver

Surface Treatment:

Silver contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
