Environmental Protection:

Dustproof

Switch Type:

Push

Lamp Bulb Size Designator:

G-4-1/2

Lamp Base Style:

Miniature bayonet

Lens Color:

Red

Features Provided:

Transformer and box cover and knockout entrance

Component Type And Quantity:

2 switch and 1 light

Special Features:

Inclosure material: steel; assembly o/a h: 3.937 in. Nom; switch current rating in amps: 1st variation 1.2, 2nd variation 0.2; switch current type: 1st variation ac, 2nd variation dc; lamp: included; opening dia.: 1 in. Nom.; assembly o/a w: 3.375 in. Nom; assembly o/a l: 8.625 in. Nom; mntg config: mnts by two 0.266 in. Dia. Mtg holes spaced 6.312 in. C to c; voltage rating: 1st and 2nd variations 600.0; primary voltage rating: 440 v nom; secondary voltage rating: 6.3 v nom; luminous actuator: not included; unthreaded entrance qty: 2; inclosure surface treatment: enamel; contact arrangement: 2 circuit, double break; mark: start-stop

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
