**Overall Length:**

1.080 inches

**Pin Diameter:**

0.056 inches

**Overall Diameter:**

0.110 inches

**Cable Entrance Diameter:**

0.055 inches

**Retention Groove Diameter:**

0.042 inches

**Pin Length:**

0.700 inches

**Current Rating In Amps:**

5.0

**Mounting Method:**

Force fit

**Material:**

Copper alloy body and contact

**Material Specification:**

Qq-c-576 federal specification 1st material response body and contact and qq-b-626 federal specification 2nd material response body and contact

**Style Designator:**

Pin contact

**Terminal Type And Quantity:**

1 solder well axially at one end

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A222a0
