Overall Length:

0.756 inches

Pin Diameter:

0.117 inches

Overall Diameter:

0.161 inches

Cable Entrance Diameter:

0.127 inches

Mounting Method:

Force fit

Material:

Plastic polytetrafluoroethylene barrel insulation

Precious Material And Location:

Body and contact surfaces gold

Precious Material And Weight:

0.005 gold grains, troy

Precious Material:

Gold

Surface Treatment:

Gold contact

Style Designator:

Pin contact

Terminal Type And Quantity:

1 crimp and solder axially at one end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
