**Body Material:**

Plastic

**Width:**

0.906 inches

**Length:**

1.875 inches

**Insert Material:**

Ceramic

**End Application:**

Type no. 321

**Usage Design:**

Termination for lead, electrical

**Mounting Method:**

Friction

**Fastening Facility:**

Bossed edge

**Chain:**

Not included

**Insert:**

Included

**Height:**

0.406 inches

**Fsc Application Data:**

Test set, signal simulator

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T174-g
