Overall Length:

0.250 inches

Overall Diameter:

0.072 inches

Mounting Method:

Force fit

Material:

Copper alloy body

Material Specification:

Qq-c-530 federal specification all material responses contact

Surface Treatment:

Gold contact and nickel contact

Style Designator:

Socket contact

Terminal Type And Quantity:

1 pin end opposite contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
