Overall Length:

0.500 inches

Overall Height:

0.375 inches

Overall Width:

0.375 inches

Material:

Copper alloy or aluminum

Material Specification:

Qq-b-626 federal specification 1st material response or qq-a-200 federal specification 2nd material response

Surface Treatment:

Cadmium

Surface Treatment Specification:

Qq-p-416, type 2, class 2 federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
