Overall Length:

0.312 inches

Overall Height:

0.360 inches

Overall Width:

0.300 inches

Unthreaded Mounting Hole Diameter:

0.067 inches

Mounting Facility Quantity:

1

Voltage Rating In Volts:

250.0 dc

Current Rating In Amps:

30.0

Mounting Method:

Unthreaded hole

Material:

Copper alloy body

Material Specification:

Qq-c-533 federal specification single material response body

Surface Treatment:

Tin body

Style Designator:

Ferrule clip

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
